New Firefighters- Two new RRFD employees started on 6/21/21. They spent two weeks in an academy focused on firefighting skills. They have been assigned to shifts and will spend several weeks focusing on paramedic skills.

New Fire Engine –The type 3 has been received and we are currently training with it. It has not been placed into service.

Southern Oregon Wildfire School-Two separate RRFD crews attended this training on two separate days in Jackson County. The focus of this training was back burning and controlling aircraft.

Wildland Readiness Drill-Three separate RRFD crews attended this training on 3 separate days in Josephine County. The focus of this training was fire attack and command and control.

ISO-We renewed our ISO certifications and there are no changes to our ratings.

HVAC-We had Stone Heating and Air out to repair 2 of our heat pumps. One of the heat pumps is failing. I requested a quote to replace it and will keep the BOD informed on this.
